

## HNF PRIVACY POLICY

We understand your concerns regarding the safety of your personal data and information. Other than having a robust and up-to-date Firewall in place, we use the industry standard for Internet security — Secure Socket Layer (SSL) technology — to help protect the information you provide.

Personally identifiable information (PII) is information that we can use to identify you as an individual. PII includes your name, address, number and any other information that is connected with you personally. This data is collected and processed only for the purposes that are specified, explicit and legitimate. Your PII is not willfully shared with or used for any other purpose than previously specified.

When you make a donation or attempt to make a donation through the site, we collect certain information from you, including your name, billing address, payment information, email address, PAN and phone number, which is necessary for us to be able to issue a tax rebate receipt to you. We refer to this information as “Donation Information.”

However, if you have any concerns regarding your personal information, or if you’re unable to process a payment, please write to us at [info@holematthi.org](mailto:info@holematthi.org).

Our website contains links to other websites. Our Privacy Policy does not apply to these other websites. Please review the privacy policies of these websites before you disclose any information. Similarly, when you choose to donate to HNF, you will be redirected to our partner payment gateway site. In this case, the policy of that particular site would apply.

### Data Retention

When you make a donation through the Site, we will maintain your Donation Information for our records. We may use this information to:

- Communicate with you
- Screen our records for potential risk or fraud
- When in line with the preferences you have shared with us, provide you with information or advertising relating to our products or services.
- We use the Device Information that we collect to help us screen for potential risk and fraud (in particular, your IP address), and more generally to improve and optimize our site.
- Finally, we may also share your PII to comply with applicable laws and regulations, to respond to a subpoena, search warrant or other lawful request for information we receive, or to otherwise protect our rights.

For more information about our privacy practices, or if you would like your personal information to be corrected, updated, or deleted, please contact us by e-mail at [info@holematthi.org](mailto:info@holematthi.org)
